## Expressive NEW packaging with a Traditional Style

We have taken a traditional packaging style and created a new look that elevates it beyond ordinary.

With our 4-color process offset printing and a newly developed plastic handle, we know this box has sell-appeal.

### Expressive NEW features include:

- Custom 4-color process offset printing in small quantities
- New snap in, adjustable plastic handle. One handle fits all sizes - keeping it economical
- All plastic materials are recyclable (including the handle) - making it earth friendly
- Product can be shipped fully assembled or can ship flat with minimal assembly
- Available in a variety of opaque material colors, clear, translucents and tints

Take Out Boxes make creative packaging for packaged gourmet foods, party favors, pet treats or any festive presentation! Made from polyethylene, polypropylene or post-consumer polyethylene these boxes are great for baskets, soaps and wrapped food (indirect contact).

These different applications of the Poly Chinese Take Out Box provides an alternative look yet functionality at a very economical price.
